Industries/Factories in Rajasthan and Orissa

3083. SHRI RAMDAS AGARWAL : Will the Minister of COMMERCE AND INDUSTRY be pleased to state :

(a) the percentage of industries/factories established in the State of Rajasthan and Orissa, as compared to other States of the country during the last three years and till date, in view of the need for economic and industrial development of these States;

(b) whether Government have formulated any new policy to set up industries in Rajasthan and Orissa on priority basis;

(c) if so, what are the details of various proposals received from State Governments/Private Sector; and

(d) the steps Government propose to take in this direction (State-wise)?

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (DR. RAMAN) : (a) A Statewise break up of Letters of intent (LOIs) converted into Industrial Licence(ILs) and Industrial Entrepreneurs Memorandum (IEM) implemented along with percentage during the last three years is given in the statement. (*See* below)

(b) to (d) With the announcement of New Industrial Policy 1991, the Central Government has embarked upon a policy of deregulation and liberalisation which is applicable to all States and Union Territories including Rajasthan and Orissa. In the present liberalised regime, investment decisions have been left to the entrepreneurs based on their commercial perception which in turn, depends upon the creation of conducive economic environment by the State Governments by way of providing basic infrastructure facilities and other incentives. Central Government plays a supportive role and supplements the efforts of the State Governments through Developmental Schemes like Growth Centre Scheme, Integrated Infrastructure Development Centre (IIDC) Scheme etc.
